'March Melodies' Tonight To Feature Group Singing

By ARDETH MAW

Fifteen women's groups will participate in March Melodies, AWS song fest, tonight at 7 p.m. in the Morris Dailey auditorium, according to Joyce Malone, chairman.

All the sororities, Kappa Phi (Methodist women's society), Mary George co-op, Pratt hall and Gerth house have entered the

competition. "This is the one highly competitive affair of the year in which all women's living groups can participate," Miss Malone stated. March Melodies was held for the first time last year, and AWS hopes to make the event a tradition.

Trophies will go to the first, second and honorable mention winners. The big perpetual trophy, given last year by Mr. J. A. Ferguson of Ferguson Music house, will go to the first place winner. Last year the perpetual trophy went to the Delta Gammas.

Group selections will be judged according to interpretation, presentation and general effect. Judges for the evening will be Miss Alice B. Hansen, associate professor of physiology, Mr. J. A. Ferguson, and Mr. Arthur L. Williams, assistant professor of chemistry.

The program, presided over by Mistress of Ceremonies Joyce Malone, will be as follows: Kappa Kappa Gamma—"Softly as in the Morning Sunrise"; "Moonglow"; "Beyond the Blue Horizon"; Delta Gamma, "Liza" and "Louise"; Alpha Phi, "Tea for Two"; Kappa Alpha Theta, "In the Still of the Night"; Sigma Kappa, "How High the Moon" and "Baby"; Gamma Phi Beta, "Lazy Bone" and "Mississippi"; Chi Omega, "Falling in Love with Love" and "Vagabond Shoes".

Alpha Omicron Pi, "By the Waters of Minnetonka" and "The Aha Daba Honeymoon"; Delta Zeta, "Now Is the Hour" and "Shortnin' Bread"; Grace Hall, "Bye Lo" and "The Roving Kind"; Pratt Hall, "Riff Song"; Kappa Phi, "The Bell Song" and "Dance of the Reindeer"; Catholic Women's center, "Mighty Like a Rose". For the finale all groups will join in singing "Hail Spartans Hall".

The program is open to the public and no admission will be charged.

Keying a Co-ed Chorus

GIVING THE CUE—Mr. J. A. Ferguson of Ferguson Music house sounds the "A" note for this melodious gathering, representatives of the groups which will participate in the March Melodies songfest tonight. Mr. Ferguson is the donor of the perpetual trophy shown at the right, which was won last year by the Delta Gammas. The girls and the groups they represent are, left to right: Deloris Peterson, Alpha Omicron Pi; Joyce Burrell, Sigma Kappa; Gail Barges, Gamma Phi Beta; Grace Griffel, Delta Zeta; Marcia Whitaker, Alpha Chi Omega; Marjorie Reid, Mary George coop; Joyce Dalton, Kappa Kappa Gamma, and Barbara Hocking, Alpha Phi.

Press Survey Polls Spartans

"The results of yesterday's survey of the Spartan Daily are being tabulated and should be available early next week," according to Dan Hruby, editor.

More than 200 Spartans were queried to ascertain which articles and pictures attracted the most readers, Hruby said.

"The Newspaper in the Community" class, instructed by Mr. Charles Kappen, assistant professor of journalism, helped the Daily staff members in the survey.

Show Free Movies

Any interested students are invited to see two movies, "The Gift of Ts'ai Lun" and "The Miracle of Millions" tonight at 7 o'clock in Room 155, according to Mrs. Dolores Spurgeon, instructor in journalism. The films are being shown as examples of the audiovisual possibilities for teaching secondary school journalism.

"Gift of Ts'ai Lun" is the Hammermill Paper Company's film telling the story of paper; "Miracle of Millions" tells the story of the New York Daily News. Members of the School Publications class, Ed. 219, will view the films.

Pastor Will Talk In Room 39 Today

The Reverend Roy Kraft, pastor of Twin Lakes Baptist church, Santa Cruz, will be guest speaker at the Collegiate Christian Fellowship meeting today, according to Don Jamieson, president.

The meeting will be held at 12:30 p.m. in Room 39. The Reverend Kraft will speak on "Vessels of Power".

Anyone interested is invited to attend, according to Jamieson.

Martin to Speak At Religious Forum

Jim Martin, executive secretary of the Student Y, will talk on "How Christianity influences the individual in his world view," at the Student Religious Forum meeting today, according to Anne Dench, forum chairman.

Today's meeting, at the Student Y at 11:30 a.m., is the final meeting of a series under the general title "How Can Religion Work for World Peace?"

Musicians Leave Home; Building Called 'Unsafe'

The San Jose State college Music department yesterday was ordered to vacate the Music building after it was termed "unsafe."

A telegram from Mr. Aubrey A. Douglass, associate superintendent of the State Department of Education, was received yesterday morning with instructions to see that the building is cleared.

Floors in several of the rooms have been ripped up to show damage to the sub-flooring and to the beams. Dr. Lyle Downey, head of the Music department, expressed amazement that the building is as strong as it is. He said, however, that a piano once had gone through the floor of his office.

Dr. Downey said he had been expecting such a condemnation order from the state.

Just where the music classes will go has not yet been completely decided. Some classes will be held in a house at 254 S. Eighth street, which the department has used for practice rooms, and classes will continue to be held in the San Jose Bible college building across San Carlos street from Washington Square.

Much equipment will have to remain in the Music building until storage space can be found.

Condition of the building was not discovered until last week.

Make Deadline

Attention, teacher training students! The deadline for making teacher training interview appointments this quarter is **TODAY, March 1**, according to information from the Personnel office.

Monday, March 5, is the deadline for turning in petitions for temporary spring quarter approval.

Petitions may be obtained and appointments may be made in Room 114.

Miss Backus Lists Films for Preview

The weekly film previews of the college library will be held tonight in Room 210 of the library at 7:30 o'clock, according to Miss Joyce Backus, head librarian.

Films to be shown tonight are "The Coconut Tree", "Handicrafts of India", "Handicrafts of South India", "Indian Art Through the Ages", "Writing Through the Ages", "Printing Through the Ages".

The Weather

From all indications March is coming in like a lion again this year. If it doesn't then February certainly went out like one. "?" predicts more of that wet, wet rain for today and continued cold. High temperature today should be around 50 degrees.

The turning point when lion becomes lamb should be about the middle of the month, making it nice vacation weather for the make-outs.

Pay With Cash

"Starting today, March 1, the Graduate Manager's office will not cash personal checks," said Graduate Manager Bill Felse yesterday.

After the beginning of next quarter, the office again will accept the checks of students, the manager stated.

'Flies' Drama Opens Tonight

Jean Paul Sartre's modern French play "The Flies" opens in the Little Theater at 8:15 o'clock tonight.

Tickets for the play, which runs March 1, 2, 3, 5, and 6, are on sale in the Speech office. Friday and Saturday nights are completely sold out, but there are good seats available for tonight, Monday, and Tuesday.

Leads will be played by Tom Patterson, Judith Levy, and Sherry Brigham. Supporting actors will include Fred Adair, Warren Blomseth, Ronald Sego, Conrad Smith, Jack Byers, William Coleman, Lawrence Berscheid, James Bernardi, Robert Collins, Dave Jenkison, Warren Ramsey, Joan McKibben, Marjorie Brown, Murel Fritz, Dolores Ceraso, Mary Cahalan, and Norma Welch.

Parts of furies will be danced by Barbara Kelly, Elaine Guey, Donna Wegner, Lorraine Davidson, and Betsy Smith.

Sartre wrote "The Flies" during the German occupation of France as a commentary of Hitler's assault on human freedom. According to the play's director, Dr. James Clancy, the Germans didn't realize the implication of the play, since it was based on the ancient theme of Electra, Orestes, and Clytemnestra.

Fight for a Soul

WITH A SOUL IN DOUBT—Zeus (Fred Adair) and Orestes (Tom Patterson) hold a tug-of-war to determine who will control Electra (Sherry Brigham) in a scene from Jean Paul Sartre's French drama "The Flies" which begins a five-day run in the Little Theater tonight at 8:15. . . . Presented for the first time on the Pacific Coast, the San Jose State college production will have a cast of 25. Dancers will be on stage during parts of the play, and will have speaking parts as well. Settings for the play will be simple and will follow the Greek method of ramps and pillars.

Two Spartans Receive 'Shakedown' by Cops

San Jose city police "shook-down" two Spartan Daily reporters Tuesday night who were working on the college paper at the Globe Printing company on S. First street.

A cop jumped out of a patrol car at 7:30 p.m. and nabbed one of the reporters who was about to enter the building—questioned and searched him—then let him go.

At 1:40 a.m. another reporter was questioned and his car was searched—then he was let go.

During both "shakedowns" the cops kept muttering something about there being a bunch of armed robberies that night, both reporters said.

According to Wednesday's issue

of the San Jose Mercury, "Two San Jose business houses on opposite sides of the city were held up within a few minutes last night by a gun-wielding, blond-haired youth who made off with \$80 in cash."

"Patrolman Howard Donald and Lloyd Ralston investigated," said the Mercury.

"They sure did," said one of the Spartan Daily reporters.

Student Council Awards Post to Jeanne Kerwin

The Student Council reached a quick decision Tuesday in the appointment of Jeanne Kerwin as senior class representative. Mrs. Kerwin received the necessary two-thirds vote in the first ballot. The application of Dick MacQuiddy also was considered in Tuesday's balloting. Originally, the council reviewed the applications from Kerwin, MacQuiddy, Bill Francis, Frank Huglin, Rod Kelley, John Mix, Ed Mosher, and Barbara Watts. All except Kerwin and MacQuiddy were eliminated in last week's balloting.

The changes in nomination procedure, which were approved by the council, will be in effect in future SJS elections.

According to the new article, all ASB and class candidates must file an official petition, which shall be prepared and issued by the Student Court. The court shall determine the validity of petitions and announce the final date for filing petitions.

For those offices elected by members of one class, at least 50 students duly registered with that class and qualified to vote for that office shall sign a candidate's petition.

Candidates for ASB offices, who are elected by the entire student body, must secure at least 100 signatures of ASB students.

At Tuesday's meeting the Student Council also allocated \$550 from the General fund to the Cultural committee fund for expenditure for the forthcoming pro-

duction "School for Lovers". The SJS Rifle team was granted an allocation of \$70 to cover partial cost of two new rifles. The Board of Control also must approve the expenditure, according to ASB Treasurer Pete Cirivilleri. Permission was given the Rally committee to erect publicity posters on campus for "Just for Laughs", the musical comedy scheduled for the San Jose Civic auditorium, March 5.

Camp Director Reveals Frosh Camping Plans

Details of the 1951 Freshman Camp recently were announced by Lud Spolyar, camp director, after a meeting with the advisers and assistant directors. The camp again will be held at Asilomar by the Sea on Sept. 16, 17, and 18. Spolyar is expecting an attendance of 200 entering freshmen and plans to have a staff of 32 counselors. The list of counselors will be released at the beginning of spring quarter, he said. This will be the second year that the ASB has sponsored the camp. It was started and underwritten by the Student Y until last year when the Student Council voted the camp a student body function. Maggie Murphy and Henry Down will be assistant directors of the camp. Dr. G. A. McCallum and Miss Marie Carr are the faculty advisers. Spolyar replaces last year's camp director, Ron La Mar.

Teachers Need All Personality Says Dr. E. P. Crandall

By LEN WALLACH

"The personality factor of prospective teachers is one of the first things looked for by supervisors," Dr. Earle P. Crandall, acting superintendent of the San Jose Unified School district, told members of the California Student Teachers association Tuesday evening. Dr. Crandall pointed out that teachers must have the ability to work with others and therefore the good personality is a top priority for prospective teachers. "Supervisors look for people who have had a wide experience in student and community activities," he stated. He explained that a teacher must want to "put himself out" for his students and community, and that a variety of activities helps him do this. "A student must have a firm conviction that he is picking the right profession if he is to enter teaching and he must also be convinced that social improvement can be brought about through education," Dr. Crandall concluded.

Office Announces Jobs for Teachers

All teaching candidates who want positions now or in the fall are urged by Miss Doris Robinson, director of placement, to make sure their recommendations are complete. Miss Robinson said she wants these candidates to come to the Placement office as soon as possible for interviews with her. She added that photographs of the student are necessary. The Placement office has had inquiries from several city school superintendents already, according to Miss Robinson.

Blue Key Installs Peter Cirivilleri In President Seat

Peter Cirivilleri replaced Bob Madsen as Duke of the San Jose State college chapter of Blue Key, national honorary service fraternity, in elections held recently in El Morocco country club. Madsen held the post for six months. Elected to assist Cirivilleri were: Mac Martinez, Earl; Cliff Majersik, chancellor of the exchequer; Dick Schaffer, corresponding scribe; and Harry Beck and Jack Scheberies, co-guards. Dean Stanley Benz, elected to Blue Key while attending Iowa State university, spoke to the group on "Blue Key constitution and what the organization means to me." A long standing tradition concerning outgoing presidents was reversed during the evening's festivities. Traced back to the days of the Spartan Knights, fore-runners of the local Blue Key chapter, the tradition called for the depanting of the outgoing Duke. However, Madsen, reversing the procedure, absconded with Cirivilleri's trousers. The newly-elected Duke has yet to recover the lower-anatomical apparel.

Ryan Prepares For S.F. Debate

Mr. Thomas Ryan, music faculty pianist, makes his San Francisco debut tomorrow night at 8:30 o'clock in the Mariens' Memorial theater. Mr. Ryan, who has been given favorable reviews by the New York Times, New York Herald Tribune, and San Jose papers, made his professional debut in a recital in New York's Town Hall. He joined the music staff of San Jose State college in 1948. Mr. Ryan was graduated from the University of Kansas, and received a fellowship at the Juilliard graduate school in New York. San Francisco and the Bay Area compare favorably with New York in the music field. Mr. Ryan said. "The San Francisco Opera company is equal to the Metropolitan," he stated yesterday. "The caliber of performances and of the artists is fine." Tickets to the performance are on sale in San Jose at Ferguson's music store. Student admission is 80 cents.

Barbecue-Workday Tickets to Be Sold Next Three Days

Tickets for the junior class barbecue-workday will be on sale Friday of this week and Monday and Tuesday of next week. The tickets, which will be sold in the Library arch, will be \$1 each, according to Winkie Teague, publicity chairman. The barbecue-workday will be held Wednesday, March 7, at the SJS barbecue pit. The purpose of the affair is to work on decorations for the "Chinese Moonmist" theme of the Junior Prom. The prom will be held April 21 at Mary-Ann Gardens. A dance will be held in the evening at the Women's gym for all those who attend the work-party. Elsie Lawson is in charge of dance arrangements.

Fellowship Offers Study in Jerusalem

A fellowship for one year's study at Hebrew university in Jerusalem will be awarded by the American Friends of the university, according to a bulletin released by the English department. The fellowship is provided by the Jacob Levy foundation and is valued at \$2000. The grant, which may be used for either graduate or undergraduate study, includes tuition and maintenance for a 10-month academic year and transportation expenses from New York to Jerusalem. Experts Tell Police Students About Forestry Camp System

By CLIFF MAJERSIK

"If we spent as much time on our plants as we do on our children, we would be living in a jungle of weeds", commented B. F. Sherman, state correction consultant, in an informal talk at a police and penology gathering at Eske's restaurant Friday. The gathering was sponsored by Lambda Alpha Epsilon, national police fraternity. Both police school students and members of the field were present to hear Mr. Sherman and Jack Clarke, assistant camp director, discuss the California correction system. There is a need for a forestry camp in Santa Clara county, according to Mr. Sherman. The Youth authorities believe that it is better to keep the boys in their area. The state has subsidized similar camps in other counties and probably would do it here, he added. The attitude of the average camper when he arrives in camp is one of indifference. "It is not until one of us takes him to the train station on the way home that he will come out and say thanks," Clarke added. To overcome the problem of insecurity when returning home from camp, the Log Cabin uses a furlough system. A few weeks before a boy is paroled from this camp he is sent home for a week's furlough. He then returns to camp for a short period during which time he can adjust himself to the idea of home, Sherman explained.

Inter-Class Track Records May Fall

INTER-CLASS RECORD HOLDER—Ron Maltre is a current record holder with jump of 22 ft.-11 in.

Frosh Meet Bears

Paced by Howard Hays, the San Jose State college frosh mermen the University of California freshmen to Berkeley today to meet men squad in a dual meet at 4 p.m.

The meet will be the second outing for the SJS frosh. They dropped their first engagement to the Stanford university frosh.

Hays, who came within 4 of second of the college record in the 100-yard dash recently, will compete also in the relay, 200-yard breaststroke, and the 300-yard medley.

Rounding out the relay team are Chet Keil, Tom Stannard, and Bill Murphy. The 440 men are Bob Smalley and Russell Roberts.

By FRAN ERROTA

San Jose State college inter-class track and field records are in the "outstanding" category, but with atmospheric conditions permitting, several records should fall when the fifth annual inter-class trackfest is held at Spartan field tomorrow afternoon at 3 o'clock.

Five competitors who hold or share inter-class records, will be out to better those marks tomorrow. Don Davis, one of the five team captains, holds the 180-yd. dash mark at 17.4 sec. He also shares the 75-yd. mark with Don Smalley, former Spartan sprint star, at 7.5 sec.

Jack Passey, co-holder of the 70-yd. high hurdle mark along with his brother Bill, expects tough opposition from Bob Boaz, Dave Marriott, Paul Dennis and Jim Gillespie. The current high-jumper mark is 8.8 sec.

Gillespie, present holder of the inter-class low-barrier mark of 17.2 sec., is odds-on-favorite to nab his pet event. Boaz, Dennis, Passey and Marriott promise to give the Los Angeles flash trouble over the 160-yd. route however.

"Bud" Winter, varsity cinder coach, said yesterday that two current record holders in the field events will be favored to nab their specialties tomorrow. Ron Maltre, a team captain and holder of the broad jump mark of 22 ft. 11 in., should have his most serious opposition from Jim Council and Bill Gallagher.

George Mattos, holder of every pole vault mark at San Jose State college, may eclipse his current inter-class meet mark of 13 ft. 6 in. Bill Priddy, a transfer from Bakersfield college, has cleared 13 ft. 6 in. and may extend the world-famous Mattos.

Most serious threat to novice meet marks is distance runner Ardell Johnston, Southern C.I.F. Class "B" 1320 champ from Atascadero high school. The leather-lunged southlander tentatively is scheduled to enter three events, but probably will concentrate his efforts on the 1320-yd. run.

Don Bryant, frosh spike tutor, announced yesterday that Jack Ruis, crack middle-distance runner, and Stan Schubert, sterling weightman, won "track man" and "field man of the week" honors respectively last week. Both will be entered in the novice class tomorrow.

Inter-class marks not previously listed:

Varsity:
352-yd. run — Thelno Knowles, 1948, 38.1 sec.
600-yd. run — Knowles, 1947, 1:25.8 sec.

1½ mile run — Gene Haynes, 1947, 7:17.0 sec.

Relay (440-yds.) — (Steve O'Meara, Jim Gillespie, Dick Barger, and Don Davis) (Sigma Phi) — 44.1 sec.

Japanese Mat Squad Defeats Spartans, 12-3

The touring Japanese college All-Star wrestling team last night won four of the five matches on the card to hand Coach Ted Mumby's San Jose State college Spartans a 12-3 defeat before an overflow crowd in Spartan gym.

Frank Waxham, Spartan co-captain and top 157-lb. matman on the Pacific coast, scored San Jose's three points by decisioning Eiichi when he was awarded one point when he was awarded one point for an escape in the final period. Match point score was 3-2.

In the opening match of the evening, Japan's Jiro Boda displayed the talent that has made his name a household word in Japan. Boda decisioned Bennie Ichikawa, local 123-lb. star who showed his best form of the season.

Other point winners for the invaders were Shobachi Ishii, 7-2 match point victor over Johnny Jackson. The latter replaced Jack Cassidy who injured his shoulder in a pre-match workout. Ishii, 125-lb. Japanese national titlist, had trouble with Jackson in the early stages but won handily when the Spartan tired in the last period.

Kychei Nagasato defeated Bill Wardrup in the 135-lb. class. The Japanese mat sensation was too slippery for the game Wardrup to handle. Nagasato piled up 14 match points to 6.

Koji Kanda and Ray Bunnell put on a real crowd pleasing match in the 147-lb. class. Bunnell probably displayed his best wrestling form of the season, though he was defeated 10 match points to 6. Kanda held a small lead throughout but had to stave off a desperate Bunnell rally in the third canto.

Judo, Japanese folk-dancing, sumo and two challenge boxing bouts added to the variety of the evening's program. The gathering was described by Mumby as the "largest crowd ever to witness a wrestling match at San Jose State college in the time that I have been here."

SJS Rifleman Eighth in NCC

Jack Raichart, captain of the San Jose State college rifle team, now ranks eight in the individual standings of the Northern California intercollegiate Rifle conference as of last Thursday, according to a NCC release.

The Spartan, in five league matches, has totalled 1380 rounds for an average of 276.00 per meet.

In team standing, SJS is in fifth place in the six-team loop. They have won one while losing four.

Pistolmen Win
The San Jose State pistol team completed its second postal dual match, with the Michigan State college squad on a successful note. The local Spartans outshot the eastern Spartans 1408 to 1339 last week. Official results were tabulated by Capt. John W. Thompson, match official, and sent to East Lansing for comparison.

Hopp Dewitt led the quintet of Raider marksmen with a score of 285. Rogers Vernon and Art Ciambetti tied with 283 scores. The other two positions were captured by Walt VanDehey and Jack Raichart with totals of 280 and 277 respectively.

Raichart announced that a third Spartan-Spartan postal match will be held in the near future. The first match found SJS winning by 80 points with last week's margin of victory being only 69 points.

Top SJS Boxers Face Rugged Cal Poly Trio

Three matches will highlight the meet when the San Jose State college boxing team entertains Cal Poly college in the Men's gym Saturday night.

Mac Martinez, NCAA 125-lb. champ, faces a stern test in Mustang Art Guglielmelli, a veteran of four years of college boxing.

JOHNNIE JOHNSON

The second outstanding match will pit SJS's Johnny Johnson or Doug Wilson against Paul Fishbeck in the 145-lb. division.

Fishbeck, also an undefeated wrestler, won Idaho State's intermountain tournament. Portal said yesterday that Fishbeck possibly may be the best welterweight on the coast and is easily one of the most outstanding in the nation.

Johnson decisioned teammate Wilson prior to the Idaho meet in a challenge match and again will be extended although his opponent is comparably inexperienced.

Johnson is undefeated this season but has been held to draws by Idaho's Bud Lawson and Washington State's Tom Hardwick. Portal claims that Johnson and Nick Diez are two

of the most improved boxers on the squad.

Diez is slated to mix it with Cal Poly's Bill Lidderdale in the 165-lb. division. A hard puncher and aggressive, Lidderdale also ranks as one of the top visitors.

In another top match, SJS's Al Tafoya faces John Elder. In Cal Poly's meet with UCLA, Elder won a decision over Bob Middo.

Either John Jackson or Vic Harris will represent the locals against Tom Morrow. This is Morrow's first year of boxing.

Bill Mendosa or Bob Frazer will battle Mustang Jim Elam.

Mendosa won a close decision over WSC's Ron Chard in January and also holds a challenge match victory over Frazer.

Two light-heavyweights will fill the remainder of the card inasmuch as Cal Poly has no heavy-weight.

Sophomores Darrell Dukes and Ray Lehmkuhl are scheduled to meet Cal Poly's Bedford Pinkard and Leon Jackson, respectively.

Dukes is the all-college champion and lost to Idaho's Larry Moyer, one of the best 175-pounders in the nation.
